

Water Policy And You:

A lunch hour discussion of water policy issues at the state and federal levels.

Zane Kessler, Director of Government Relations

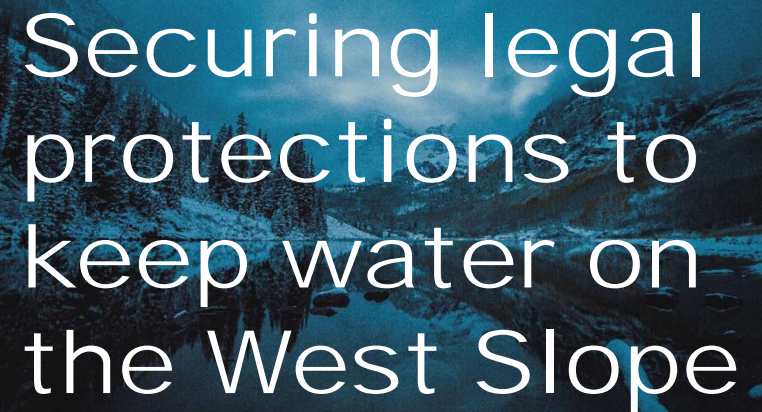

COLORADO RIVER DISTRICT
PROTECTING WESTERN COLORADO WATER SINCE 1937

For more than 80 years, the Colorado River District has been working to safeguard West Slope water and keep your water on the Western Slope.

Keeping water
flowing to farms
and ranches

Securing legal
protections to
keep water on
the West Slope

Maintaining
healthy rivers

Advocating for
all West Slope
Water Users

Protecting West Slope
Water and Working to
Keep Your Water on the
Western Slope
